

Message to Bidders / Suppliers on e-Procurement

BDL, a 'MiniRatna' Public Sector Undertaking under the Ministry of Defence has implemented e-Procurement system across the Company, w.e.f. 1st October, 2011 with the following objectives:

- To bring more transparency in the procurement system.
- To provide centralized unified platform for vendor registration.
- To facilitate faster decision making.
- To provide opportunity for wider participation.
- To make submission of the Bids by the Bidders / suppliers easier.
- To facilitate on-line provision of addendums and changes to the tender documents to bidders / suppliers.
- To attract wider choice of suppliers.
- To get more competitive prices and increased price comparison.
- To save in cost of bidding

BDL has taken special care to ensure highest level of security in e-Procurement portal through our e-Procurement Service Provider, M/s.ETL, Ahmedabad (Abc Procure). The e-Procurement link may be visited through BDL website <https://bdl-india.com> → Tenders → Open Tenders or <https://bdltenders.abcpocure.com/>

New Bidder Registration: Bidders may note that they are required to register themselves to obtain a unique Login Id and Password which can be used for e-procurement activities of BDL. This is a onetime registration in this portal. Bidder's are requested to send their login id to bdldgmcc-ap@bdl-india.com for approval.

Bidder User Manual is made available through BDL website <https://bdl-india.com> → e-Procurement → Instructions and Manuals to facilitate Bidders to be conversant with process of bidding.

A Free Help Desk exclusively for Bidders participating in BDL tenders is being operated by the Service Provider with free of charge. If at any point of time, the bidders / suppliers requires assistance they may contact the service provider as per contact details given below.
