#### LIMITED REVIEW REPORT

Limited review report on the unaudited standalone quarterly financial results of Bharat Dynamics Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulation")

Review Report to The Board of Directors of Bharat Dynamics Limited

#### Introduction

We have reviewed the accompanying statement of unaudited standalone financial results of Bharat Dynamics Limited for the period ended 30<sup>th</sup> June 2021 ("the Statement"). This Statement is the responsibility of the Company's management and approved by the Board of Directors and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended and read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements pased on our review.

#### Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### Emphasis of Matter Paragraph:

The company is holding redundant Inventories (Raw Materials, Components and Work In Progress) values at Rs 8,782.59 lakhs. These relate to short closed projects. No redundancy provision has been recognized on the reasoning that claims have been made to the customer for reimbursement and negotiations are at final stages. Further the company is holding advance from customer which is more than the value of redundant inventories.

We draw attention to Note No. 8 on the impact of Covid-19 on the operations and financial results of the company. Based on the information currently available there is no material impact on carrying amounts of Property, Plant and Equipment, Intangible assets, Investments, Inventories, Trade receivables and other financial assets. The company continues to monitor changes in future economic conditions. The impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of Standalone financial results.

Our conclusion on the statement is not modified in respect of these matters.
