LIMITED REVIEW REPORT

Limited review report on the unaudited standalone quarterly financial results of Bharat Dynamics Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulation")

Review Report to
The Board of Directors of
Bharat Dynamics Limited

Introduction

We have reviewed the accompanying statement of unaudited standalone financial results of Bharat Dynamics Limited for the quarter ended June 30 2022 ("the Statement"). This Statement is the responsibility of the Company's management and has been approved by the Board of Directors and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, as amended and read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter Paragraph

Attention is drawn to the fact that the figures for the three months ended 31 March 2022 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

The company is holding redundant Inventories (Raw Materials, Components and Work In Progress) valued at Rs 9,446 lakhs. These inventories are declared unusable and relate to cancelled orders. No provision has been recognized for such redundant inventory on the reasoning that claims have been made to the customer for reimbursement and negotiations are at final stages. Further the company is holding advance from customer which is more than the value of redundant inventories.

Our conclusion on the statement is not modified in respect of the above matters.
